

End of year party

Jun 02, 2016

On June 2, 2016, Prep school staff and students organized End of year party for the students.

The party took place after the Level achievement exam. Students, as well as teachers, performed for the audience. We had poetry recitals, singing and playing instruments. Some of students' best memories from Prep were read out loud. It was a nice way to end the year!
