

## Prep school trip to Travnik and Jajce

May 30, 2016

*On May 30, 2016, Prep school students and teachers had a fun trip to Travnik and Jajce.*

This was one of the most exciting days of the year. Students enjoyed sightseeing and the fun activities they engaged in. Prep school staff deliberately took students on a trip in order to release the stress regarding the upcoming exams. The trip was a great success and everyone enjoyed a lot!
